Appearances for Defendant:

Hearing: Supervise Release Violation/Trial Setting (initial app.)

Notes: This was the defendant's first appearance before District Judge. Defendant needs an interpreter and one was not present. Defendant request continuance to 4/9/08 for status or change of plea; defense does not have discovery yet. **Court tentatively continues the matter for one week to 3/26/08 at 2:00 p.m. for status for an interpreter to be present to explain what happened at the hearing today** unless the defendant is comfortable with the AAFP's translation and is OK with continuing the matter to 4/9/08. **Case also continued to 4/9/08 for motions setting or trial setting or disposition.** If parties want exclusion of time for effective preparation, they should submit a written stipulation. Supervised release violation will trail new case.
